October 2011

AN IDEAL GIFT FOR THE HOLIDAYS

Greetings!

Here is something you can give to family and friends for the holidays.

A visual, photo/video montage (sometimes called a "slide show.") The idea is to collect all those visual images, photos, jpegs, articles, video, film and slides; and organize it chronologically or via subject matter. Consider music and or narration. How about some titles. If you need help organizing your visuals or with selecting music and/or titles, we can help you with that. We can then take all this material and place it on a DVD and/or memory Stick.

This takes approximately one week.

Cost for one hundred images for approximately 8 minutes is \$300 all inclusive (sound and up to 5 titles)

Every extra 25 images is \$50.

Multiple copies are \$20 each

When you contact us, We can e-mail you an information sheet on how to put all the material you will need together.

So why not give this holiday an unique gift that will last a lot longer than a fruit cake.

Sincerely,

David Cooperstone
